Vacant posts in the All India Radio

THE MINISTER OF STATE OF THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI V. N. GADGIL): (a) to (c) All India Radio has a vast net-work of 88 Stations with Headquarters Office at New Delhi. In such a vast net-work, vacancies will naturally arise due to retirements/promotions from one grade to another or creation of new posts to meet the needs of expansion. Further in the lower grades, like Lower Division Clerks, Stenographers, etc. the new recruits resign soon after joining because they secure better jobs elsewhere in the private/public sectors. The number of vacancies which are not in one place but spread over the network keeps changing. These vacancies do not affect the work of AIR; the existing persons turn in extra-work and attend to all important matters.
